

Arron Menezes

Mysore, Karnataka, India

EXPERIENCE:

Educational Multimedia Research Centre (EMRC), Mysuru, Karnataka, India

Junior Research Officer

September 2010 - Present

I am a researcher, working as Junior Research Officer for EMRC, since 2010 and have gained experience in educational communication, online education and instructional design. Past few years as a team we have been involved in running the MOOCs on SWAYAM (an ambitious online education project of the Ministry of Education, Govt. of India). Apart from E-content development and Educational Television programmes, we have trained teachers and subject experts regarding the content creation for MOOCs and optimisation of online instruction design.
